BEQUEST

On April 29, 1937 the late Frank S. Lord presented to the town of Ossipee a piece of land near the Center Ossipee depot, on which to build a library. It is expected that a brick library building will be erected on this lot and presented to the town in the near future.

The town has also received, this year, a deed from the Lattie family, of a twenty-four foot roadway from the East Side State Road to Ossipee Lake and the Cambridge Girl Scout property.

To the relatives of the late Frank S. Lord and the Lattie family we extend our thanks and appreciation for these two gifts which will certainly prove to be great assets for the town in years to come.

ONE HUNDRED YEARS AGO AND TODAY

	1837	1937
Number of voters	327	999
Tax collected	$1623 71	$53045 17

In 1837 the highest tax paid was $22.00. There were only four tax payers paying over $10.00 each.

In 1937 the highest tax paid was $1839.00 and many taxes of $300 to $1000 each.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Ossipee qualified to vote in Town affairs:

You are hereby notified to meet at the hall of the Y. M. C. A. Inc., in said town on the second Tuesday of March next, at nine-thirty o'clock in the forenoon, to act on the following subjects.

Article 1. To see if the town will vote to authorize the Selectmen to hire money in anticipation of taxes and to allow them to make a discount for early payment of taxes.

Article 2. To see if the Town will appoint a committee of three real estate tax payers in conjunction with the Selectmen, members of the State Waters Control Commission, to consider the erection of a dam across Poland Brook, near the old east side boulevard, and make a pond along Poland Brook between Old East Side Boulevard and road from Ossipee to Wolfeboro, as per acts of the Legislature of State of New Hampshire, Chapter 133, Approved June 17, 1937.

Article 3. To see if the Town will hire for one year from December 1, 1938, or not later than March 1, 1939, a Town Manager under the Laws of the State of New Hampshire, Chapter 69, approved March 22, 1929. Said manager to have charge of improving all town road work in summer and snow removal in winter and such other duties in connection with town work as may be given him by the Selectmen. Said manager to be an accredited Civil Engineer a resident preferred of State of New Hampshire, to be engaged by the Selectmen and a committee of three prominent real estate tax payers with salary not to exceed Fifteen Hundred Dollars ($1500.00) plus gas and oil for his car on town work.

Article 4. To see if the town will vote to in-

struct the Selectmen to have annexed to the town report of 1938, a list of the tax payers and their real estate valuation.

Article 5. To see what action the town will take in regard to real estate taken over by the town for non-payment of taxes.

Article 6. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in their report for the purposes specified, which include the following special appropriations.

AMERICAN RED CROSS
Report of Executive Committee

Ossipee Chapter of the American Red Cross has had one of its most successful and active years in its peacetime history.

At the outset of the year it was called upon for $300 for flood relief and oversubscribed by $200. The roll call under the leadership of Mrs. Eva B. Loud topped the more recent calls.

More and more people are benefiting by the nursing service, summer residents for the first time making use of its services. The figures in the Nurse's report will show an increase in the service rendered.

The usual clinics have been held, and in addition tuberculosis tests have been given to a majority of the High School pupils. Ossipee is the first town in Carroll County to make this test. All of the 139 pupils tested were found without trouble.

This year a First Aid Course has been held for the High School students under the direction of the nurse.

The year has also brought to Ossipee a large transient group. With such groups, contageous diseases often travel. In order to check any outbreak, class room inspection has been held once a month.

Many citizens of Ossipee have given freely of their time and effort to make successful the program carried on.

Respectfully submitted,

CALVIN WARBURTON
Chairman

During the past year some painting has been done in the house, the hall has been re-roofed with heavy fire resisting shingles, glass has been re-set, fallen plaster replaced etc. Several old outstanding bills for paint, lights and water have been cleaned up. Since the books have been closed for the year, twenty-four chairs have been bought and paid for, for the hall. More chairs must be purchased this year. A new water line must be run from the main to the house, as the school takes its water through the house and there is very low pressure in both the school and house. The old line is badly corroded.

Tenants have paid rents very well, paying each month in full, to the sum of $144. Of this amount $84 was deposited and I have retained $60 for myself, reducing the indebtedness of the House to me to $40.

SUPERINTENDENT'S REPORT

I herewith submit my twelfth annual report as superintendent of schools, it being the eighteenth in the series of such reports.

The Educational Policies Commission representing the National Education Association has reached several conclusions relating to the structure and administration of public education. Some of these are as follows:

1. "American public education should be made effectively free." Ossipee furnishes free schools with books and supplies, and transportation for long distances. Attention is given to health, recreation and good citizenship.

2. "American public education is concerned with every individual from early childhood through adult life." Ossipee provides for boys and girls from Grade I through the high school. United States enrolls all children between 7 and 13 and more than 60% of those 14 to 17. Ossipee enrolls all of the first group and a very large percent of those in the second group. It would be a fine thing if some continuation school could be arranged to care for adult classes during the winter, at least.

3. "Local units of school administration should provide professional leadership." Ossipee provides good teachers and supervision under the care of a school board chosen by the public.

4. "Education should be independent from other government functions." Ossipee, as a town, and New Hampshire, as a state, keeps school management out of politics, to a commendable degree.

5. "Schools must cooperate with other agencies in serving human needs." This suggests that the home, church and school should cooperate. The schools have a heavy burden for the development and welfare of the boys and girls, but homes and churches should

not avoid the primary responsibility.

6. "State responsibility in education involves professional leadership." It is desirable that the Commissioner of Education be appointed by the State Board of Education. It is so done in New Hampshire.

7. "State responsibility in education involves the equalization of the burden of school support." New Hampshire, by a very wise provision, furnishes state aid for smaller towns, and Ossipee profits this year by about $3000.

The schools in Ossipee are going well this year. A new school has been opened at Moultonville where about 25 pupils are cared for in Grades I-VI. The group of teachers is loyal and hard-working. The schools need support from the homes in securing regular and punctual attendance.

Repairs and Upkeep

Provision should be made for completing the grading of the athletic field at the Center. The shed at West Ossipee should be rebuilt and joined to the building. The roof at the Center School should, at least in part, be shingled. The reseating at West Ossipee should be completed. Suitable seating should be provided for the gymnasium when used as an auditorium.

Ventilation in the Center Schools should be improved by installing a fan in the air shaft. Adjustable curtains should be provided for the Center Schools. All of the school lawns should be improved by grading and shrubbery.

The location of the Water Village School is one of the worst in the state. A lot should be provided and the schoolhouse moved or another provided.

School Activities

From Grade I to high school seniors we are trying to stress character education and good citizenship. In all classes come lessons of honesty, faithfulness and

fair dealing. On the playground and in the athletic games, it becomes necessary to obey the rules and have regard for the rights of others—a lesson so much needed in social and international relations. We don't fight with those whom we know and respect. The refining influence of music and fine literature is well known. Our orchestra leads in musical activities. School plays and editorial work make effective the activities in English.

High School

Ossipee High School is now under the leadership of Headmaster John H. Frye who has started well, with Phil A. Bennett and Louise E. Collins to ably assist him. Strong efforts are being made for good discipline and high scholarship. Last June we graduated a class of ten. Three of the girls went to Plymouth Normal School and are preparing to teach—Avalve Helme, Patricia Eldridge and Dorothy Wormstead. The boys should feel the challenge to do as well as the girls. Beatrice Beckwith is still succeeding at Posse College where she entered a year ago. It is especially interesting to note that all three girls who went to Normal School were at once enrolled in the musical clubs—a fact that reflects credit on the orchestra work which Mr. Bennett carries on at Ossipee High.

Health Work

The physical welfare of the school children is being well served by the untiring work of the school nurse—Mrs. Marion Navis. Statistics are to be found under the report of the Ossipee Red Cross.

Attendance

For the year ending June 30, 1937 we had an average attendance of 266, an average membership of 280 and a percent of 95.

Schools having 95% or over are as follows:

Water Village	97.7%
West Ossipee	95.5%
Ossipee Primary	95 %
Ossipee Intermediate	95 %
Granite	95 %
Ossipee Corner	95 %

Congratulations to these schools! For the second time all rural schools are included.

Roll of Perfect Attendance

High School: Virginia Hill, Irene Holbrook, Lawrence Kirkwood, George Stevens.

Grammar School: Eleanor Perkins, Betty Staples.

Intermediate School: Frances Duffany, Mary Eldridge, Henry Vigue.

Primary School: Alfred Duffany, Lloyd Wilkins, Leslie Wilkins.
